

ACCIDENT ON MY SKATEBOARD – I hurt my knee

(two friends meet)

A: Oh! What's the matter?

B: I think I hurt myself.

A: Really?

Where does it hurt?

B: It's my knee.

A: What were you doing?

B: I was at the park with some friends.

We were riding our skateboards.

A: You love skateboarding!

B: Yes.

A: Go on....

B: A little girl walked right in front of me.

A: Did you hit her?

B: No!

I moved quickly but then fell to the ground.

A: Ouch! That must of hurt!

B: Yes, very much.

Now, I can't walk very well.

A: I think you should go see a doctor.

B: Yes, I think so too.

A: Can I take you to the hospital?

B: Yes, it would be wonderful!

A: Alright, let's go.

B: Ouch, ouch, ouch. *(Both walk away.)*
