

CATCH A COLD – role play

A: Achuuu!

B: What's wrong with you?

You look sick.

A: I don't know what's wrong with me.

Achuuu!

B: I think you have a cold.

What symptoms do you have?

A: Last night, it was cold and I was shivering.

I have a runny nose and cough.

I think I have a headache, too.

B: Oh! It is easy to catch a cold during the change of seasons.

A: I didn't know that!

I thought you only caught a cold during the winter.

B: You should drink lots of water.

Go see a doctor soon.

A: Ok, I will.

B: I hope you feel better soon.

A: Thank you!
