

NATURAL REMEDIES

A: What's the matter?

B: I have a sore throat.

A: What is that?

B: It's when your throat is red and it hurts to swallow food.

A: I had that once!

My mother gave me some tea with honey.

B: Why not medicine?

A: She prefers natural remedies.

B: Oh! I see.

One time, I had a bad cold.

A: Really? What did you take?

B: My mom gave me chicken soup.

It is healthy and natural.

A: Did it work?

B: Yes!

I got better real fast.

A: Wow, I will try it next time I catch a cold.

B: Oh! I'm late!

(looks at the time)

I have to go.

A: Sure.

I hope you feel better soon.

Don't forget to wear a scarf.

B: Thanks! I will.
