Letter Formation

Tt is for Tiger

Handwriting practice lines for the letter Tt. Each row consists of a solid top line, a dashed middle line, and a solid bottom line. The first row shows a solid uppercase T and lowercase t, followed by dotted versions of the same letters with numbered arrows indicating stroke order. The following four rows contain dotted uppercase T and lowercase t for tracing, with a solid dot at the top of each letter to indicate the starting point. The final row contains dotted uppercase T and lowercase t for independent practice, with solid dots at the top of each letter.

Directions: Write letter Tt, from left to write and from top to bottom.
